Ok. Thanks for the update. I'll be interested to see the draft RTC whenever you're ready.

Subject: Oregon 303(d) list

Hi, Tom. I believe you asked if there were many comments on our proposed listings. I count about 14 comment letters that were commenting on proposed listings. A few proposed additional listings, but most were raising issues about our listings and providing reasons why they should not be listed as impaired. We will send you our draft responses to comment. Not sure what the timeframe is for that. I'm meeting with Jill tomorrow and may have a better sense of timing.
